## WELCOME TO THE 48TH DN GALAN

Dear Athletics Friends,

Welcome to Stockholm and DN Galan, the eleventh stop on the great circuit of the IAAF Diamond League! We are proud to present a top-class athletics meeting with ten individual European champions from Zürich and also some very interesting global athletic stars!

Our staff are keen to offer a professional and high level of media service. Please don't hesitate to ask if you have any questions.

The Stockholm Olympic Stadium has the world record for the arena with the most world records; 83 of them. We are proud of this stadium and its 102 year old history even if there are some practical challenges running a modern meet in such an old stadium. However, we believe it's more than worth it to experience world-class athletics in this classic arena. In this press manual we hope that you will find all the practical information you need but we are available to assist you with any further questions you may have. Once again, welcome to DN Galan, a part of the great IAAF Diamond League!

Kind Regards,

### ENTRANCE TO THE STADIUM

Entrance to the stadium is on Lidingövägen near the Clock Tower. Look for the tower and when you get close to it you should see a sign saying 'Klocktornet'. You're in the right place. Just to the right of that 'Klocktornet' sign is the media entrance. For those acquainted with the stadium, the clock tower is located just at the end of the home stretch, close to the finish line of the track.

### HOTEL

The meeting hotel is:  
Nordic C Hotel

## **MEDIA CENTER**

### **Sub-media center**

The sub-media center is located at the official meeting hotel, Nordic C Hotel, Vasaplan 4, from Tuesday August 19th. The sub-media center will be found at the conference floor (first floor) in the Nordic C Hotel.

#### *Opening hours*

Tuesday August 19, 1 pm – 8 pm  
Wednesday August 20, 9.30 am – 10 pm  
Thursday August 21, 9.30 am – 2 pm

### **Main-media center**

The main-media center is located at the Stockholm Olympic Stadium.

#### *Opening hours*

Thursday August 22, 4 pm – end of meeting

## **MEDIA TRIBUNE**

You will be assigned a specific seat in the media tribune. The media tribune is a temporary stand to accommodate you in the best possible way. There are certain limitations when working with a stadium that is 100 years old and this has been introduced as a measure to improve the situation for media from previous meets. The media tribune is located after the finish line.

## **MIXED ZONE**

All interviews with the athletes should take place in the mixed zone. In the case of a world record or other extraordinary event, a press conference may be held and you will be informed. You will reach the mixed zone through the media tribune.

## **PHOTOGRAPHERS**

Tommy Holl (mobile.+46 70 318 94 33) is our photo chief during DN Galan. He will be assigning people to the infield and setting the various photo zones. A photo briefing will be held at 5 pm (17.00) in Stockholm Olympic Stadium on Thursday August 22 in the photo room. There will be signposts to the photo room and plenty of personnel on hand that can direct you there if necessary.

It's worth noting that there will be a 'no go' zone right after the finish line and about 30 m beyond it. We will have someone ensuring that this zone is kept free but do bear it in mind in advance.

#### **PRE-EVENT PRESS CONFERENCE**

A series of press conferences will take place on Wednesday August 20th from 11 am until around 2 pm at the official hotel Nordic C Hotel (conference floor). Detailed schedule and attending athletes will be sent to accredited media representatives before the press conference.

#### Host broadcaster

Sveriges Television, SVT, is host broadcaster and rights holder for Sweden. Live pictures must be obtained from the national rights holder.

#### **TELEPHONE/ISDN LINE**

If you have ordered a telephone or ISDN line through your national PTT provider or the national PTT provider in Sweden this will be ready for you at your seat.

#### **TRANSPORT**

##### **Public Transport**

To sub-media center, Nordic C Hotel

Nordic C Hotel is located next to the Stockholm Central Station. Head for Arlanda Express and you will find the hotel just outside the Arlanda Express office to the right. The media center will be located at the first floor in the hotel (the conference floor).

To the Stockholm Olympic Stadium

The underground system (Tunnelbana, recognizable by a 'T' sign) is probably the best way to get to Stockholm Olympic Stadium via public transport. Take the red line to Mörby Centrum from Stockholm Central Station and get off at 'Stadion.' Take the exit that is closest to the front of the train and you'll find yourself right outside the stadium. The journey takes around 4 minutes from The Central Station (T-Centralen).

##### **Taxi**

We recommend you to choose some of the larger taxi companies in Stockholm:

**WEATHER**

Stockholm in the summer can provide many warm and pleasant evenings but there are no guarantees. We're in Scandinavia after all and those northern latitudes can result in cool evenings. A good tip is to make sure you have a warm top with you in case the temperatures fall.

VERY WELCOME TO DN Galan 2014! - A world class event with a diamond feeling!
