## WELCOME TO STOCKHOLM

Dear Athletics Friends,

Welcome to Stockholm and BAUHAUS Galan, one of the stops on the IAAF Diamond League circuit. We are proud to present a top-class athletics meeting with a lot of interesting global and Swedish stars!

Our staff are keen to offer a professional and high level of media service. Please don't hesitate to ask if you have any questions.

The Stockholm Olympic Stadium holds the world record for the arena with the most world records: 83 of them. We are proud of this stadium and its 104 years old history even if there are some practical challenges running a modern meet in such an old stadium. However, we believe it's more than worth it to experience world-class athletics in this classic arena.

In this media information we hope that you will find all the practical information you need but we are available to assist you with any further questions you may have. Once again, welcome to BAUHAUS Galan, a part of the great IAAF Diamond League!

Kind Regards,

### ENTRANCE TO THE STADIUM

Entrance to the stadium is on Lidingövägen near the Clock Tower. Look for the tower and when you get close to it you should see a sign saying 'Klocktornet'. You're in the right place. Just to the right of that 'Klocktornet' sign is the media entrance. For those acquainted with the stadium, the clock tower is located just at the end of the home stretch, close to the finish line of the track.

### HOTEL

The meeting hotel is:  
Scandic Star Sollentuna  
Aniaraplatsen 8  
SE-191 21 Sollentuna

The media representatives must book accommodation themselves by [www.scandichotels.se](http://www.scandichotels.se). To check-in please go to the main desk at the Scandic Star Hotel. Media representatives can not check-in at the Stockholm BAUHAUS Athletics hotel desk!

### INTERNET ACCESS

## **MEDIA CENTER**

### **Sub-media center**

The sub-media center is located at the official meeting hotel, Scandic Star Sollentuna, Aniaraplatsen 8, Sollentuna. It will be found at the conference floor (eighth floor) in the Scandic Star Hotel. The sub-media center will be opened from Tuesday 14 June, but only staffed during the opening hours below. During the press conference, the sub-media center will temporarily move to the Stockholm Olympic Stadium. Please be aware of the opening hours below for the different locations. During the press conference the Welcome desk at the hotel can help you with your accreditations.

#### *Opening hours (staffed)*

Tuesday 14 June 3 pm - 7 pm, Scandic Star Sollentuna

Wednesday 15 June 10.00 am - 6 pm, Stockholm Olympic Stadium

Wednesday 15 June 7.30 pm - 10 pm, Scandic Star Sollentuna

### **Main-media center**

The main-media center is located at the Stockholm Olympic Stadium.

#### *Opening hours*

Thursday 16 June 4 pm - end of meeting

## **MEDIA TRIBUNE**

You will be assigned a specific seat in the media tribune. The media tribune is a temporary stand to accommodate you in the best possible way. There are certain limitations when working with a stadium that is 100 years old and this has been introduced as a measure to improve the situation for media from previous meets. The media tribune is located after the finish line.

## **MIXED ZONE**

All interviews with the athletes should take place in the mixed zone. In the case of a world record or other extraordinary event, a press conference may be held and you will be informed. You will reach the mixed zone through the media tribune.

## **PHOTOGRAPHERS**

Tommy Holl (mobile.+46 70 318 94 33) is our photo chief during Stockholm BAUHAUS Athletics. He will be assigning people to the infield and setting the various photo zones. A photo briefing will be held at 5 pm (17.00) in Stockholm Olympic Stadium on Thursday June 16 in the photo room. There will be signposts to the photo room and plenty of personnel on hand that can direct you there if necessary.

**IAAF** *Diamond League*

Stockholm Olympic Stadium 16 June 2016

It's worth noting that there will be a 'no go' zone right after the finish line and about 30 m beyond it. We will have someone ensuring that this zone is kept free but do bear it in mind in advance.

For those of you who are taking shots from the stands, it's also worth reminding you that the places to stop and sit and take a shot are those where there are no spectators being obstructed from their view.

#### **PRE-EVENT PRESS CONFERENCE**

A series of press conferences will take place on Wednesday June 15th from 1 pm until around 3.30 pm at the Stockholm Olympic Stadium. Detailed schedule and attending athletes will be sent to accredited media representatives before the press conference.

#### **RADIO/TV RIGHTS**

Live radio/TV broadcasting rights are handled by IMG. Contacts:

Patrik Bauer, email: patrik.bauer@imgworld.com, phone: (+46) 705 449766

Ann Schröder, email: ann.schroder@imgworld.com, phone: (+46) 708 520225

#### Host broadcaster

Sveriges Television, SVT, is host broadcaster and rights holder for Sweden. Live pictures must be obtained from the national rights holder.

#### **TELEPHONE/ISDN LINE**

If you have ordered a telephone or ISDN line through your national PTT provider or the national PTT provider in Sweden this will be ready for you at your seat.

#### **TRANSPORT**

##### **Public Transport**

##### To the official meeting hotel

Scandic Star is located in Sollentuna, approximately 15 minutes with commuter train from Stockholm Central Station. Take the commuter train to Märsta, no. 36, or the train to Uppsala C, no. 38. Get off at **SOLENTUNA STATION**. Head for the exit closest to the rear of the train. When exit the station, take left in the tunnel. When you reach the square, the hotel is located to your right. The media center will be located at the eight floor in the hotel (the conference floor), take the elevator.

##### To the Stockholm Olympic Stadium

The underground system (Tunnelbana, recognizable by a 'T' sign) is probably the best way to get to Stockholm Olympic Stadium via public transport. Take the red line to Mörby Centrum from Stockholm Central Station and get off at STADION. Take the exit that is closest to the front of the train and you'll find yourself right outside the stadium. The journey takes around 4 minutes from The Central Station (T-Centralen).

### WEATHER

Stockholm in the summer can provide many warm and pleasant evenings but there are no guarantees. We're in Scandinavia after all and those northern latitudes can result in cool evenings. A good tip is to make sure you have a warm top with you in case the temperatures fall.
